

PART B

TRAFFIC RULES & REGULATIONS

Yellow-Box Junctions

(b) Situation Two

The second situation is when motorists are waiting in the yellow box while trying to turn right in the face of oncoming traffic. Drivers of vehicles marked A, B and C can remain in the box until a suitable opportunity arises for them to complete their turns. Should the lights turn red against them, they should proceed to complete their turn and clear the yellow box junction.

(c) Situation Three

The third situation is when motorists are waiting in a yellow box junction while making left or right turns because of pedestrians crossing the road. The diagram shows that the drivers of vehicles A, B, C, D and E may enter the yellow box even when they are prevented from executing their turns by pedestrians using the crossings.
