

(2) GOING STRAIGHT

At 'a'

Select the appropriate lane as indicated by the road markings.

At 'b'

Reduce speed as you approach the junction.

At 'c'

Check if the traffic light allows you to proceed. If not, stop behind the stop line.

At 'd'

Check if there are any pedestrians crossing the junction.

At 'e'

Look out for oncoming vehicles which may cross your path.

At 'f'

Increase your speed accordingly.
