

PART B

TRAFFIC RULES & REGULATIONS

Driving On Expressways / Yellow-Box Junctions

DRIVING ON EXPRESSWAYS

- 91 Do not drive, move or stop on road shoulder or verge unless in the event of a breakdown, accident or emergency.
- 92 Vehicles which have a speed limit of 60 km/h and below shall be driven along the left hand lane of the expressway.
- 93 Cycling, skating and walking are prohibited on expressways.

YELLOW-BOX JUNCTIONS

- 94 It is an offence for any driver to drive his/her vehicle into a junction marked with a yellow box and cause obstruction even if the lights are in his/her favour. However, there are certain situations in which a driver or rider will not be penalised for entering the yellow-box junction.

(a) Situation One

The first is when the turning vehicles in a box-junction do not block other vehicles. Only drivers of turning vehicles A, B and C and NOT those marked X may enter the yellow box when their exit lanes from it are blocked by other vehicles. Should the traffic lights change to red, vehicles A, B and C would not cause any obstruction to other vehicles. However, vehicles marked X would be obstructing traffic should the lights change and the drivers will be penalised, as such they should wait behind the stop-line at 'Y'.
